

Animals live in the forest

Animals live in the forest
Animals live in the zoo
I met a **bear** in the shopping mall
And here's what he taught me to do

“Hug” said the **brown bear**,
“hug, hug, hug”
And that's what he taught me to do

“Meow” said the pussy cat,
“meow, meow, meow”

“Grrr” said the lion,
“grr, grr, grr”

“Squeak” said the little mouse,
“squeak, squeak, squeak”
