

Rolling Like a Pumpkin

We are rolling like a pumpkin down a hill
We are rolling like a pumpkin down a hill
We are rolling like a pumpkin
We are rolling like a pumpkin
We are rolling like a pumpkin down a hill

We are wobbling like a jelly on a plate...

We are scratching like the monkeys in the
zoo...

We are swimming like the fish in the sea...

We are jumping like a bullfrog in a pond...

We are waving 'cos it's time to say
goodbye...
